**Map Title:**

**Ansel Adams Wilderness Addition  
Potential Recommended Wilderness Area  
Inyo National Forest**

**Description:**

The map displays a potential recommended wilderness area that would be an addition to the existing Ansel Adams Wilderness.

This potential recommended wilderness area is an inventoried roadless area located between the west side of the Ansel Adams Wilderness and the east side of the Kaiser Wilderness that would be an addition to the existing Ansel Adams Wilderness. The area is bounded on the north by Forest Road 6S80, on the east by the Ansel Adams Wilderness, on the south by the Kaiser Pass Road (5S80), and on the west by the Sample Meadow Road (7S05), the Half Corral Meadow road (6S70), and road 6S84.
